Last month, tragedy struck Our Lady of Lake University when a four alarm fire blazed through Old Main. The University has been a long standing pillar of our community and we all were deeply saddened to learn about the damage of the historic West Side institution.

The "Our Lady of Lake University Rebuilding Fund" has been created to help out with the recovery efforts.

More information about this fund can be found here:

My thoughts and prayers are with the students, faculty, and staff of OLLU in this difficult time. Now, as we move forward into what will surely be a difficult rebuilding period, I'm confident that we will not only overcome this tragedy but that we'll emerge a stronger and more cohesive community.
