San Antonio, TX - Congressman Charlie Gonzalez (TX-20) issued the following statement on AT&T's announcement that they are relocating its headquarters from San Antonio to Dallas:

"I'm obviously disappointed by this news; AT&T has clearly experienced substantial growth since its move to San Antonio over a decade ago and as a result has made this decision based on their new demands."

"Nevertheless, they will continue to have a substantial presence in San Antonio, one that is unaffected by the relocation of its headquarters to Dallas. I'm confident that San Antonio will continue to play an instrumental role in the AT&T family in the future, and I look forward to discussing these plans with AT&T."
