The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Raymondville Police Department's Communication Consoles for First Response Unit project in Fiscal Year 2027. The entity to receive funding for this project is the City of Raymondville, located at 142 S. 7th Street, Raymondville, Texas 78580.

The funding would be used to replace outdated communication console systems and acquire a modern recording system for the Raymondville Police Department's 911 Public Safety Answering Point. This is an appropriate use of taxpayer funds as it ensures reliable, up-to-date emergency communications, improves coordination with first responders, and provides accurate documentation of 911 calls to enhance accountability and public safety outcomes.

This project has a Federal nexus as it is for the same purposes authorized in Section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Vicente Gonzalez
Member of Congress
