Mr. Jeremy C. Wensinger  
President and Chief Executive Officer  
V2X  
7901 Jones Branch Drive, Suite 700  
McLean, Virginia 22102

Dear Mr. Wensinger:

I have heard from my constituents about the ongoing contract negotiations between V2X and its employees at Naval Air Station (NAS) Kingsville over a new collective bargaining agreement.

As you know, it is the policy of the United States to encourage collective bargaining between workers and their employers to negotiate the terms of their employment under the *National Labor Relations Act*. Accordingly, I urge you to negotiate in good faith to reach an agreement in these negotiations.

As the Member of Congress representing 689 V2X employees at NAS Kingsville, I know how important these contract negotiations are to the economic well-being of my constituents in the 34<sup>th</sup> Congressional District of Texas. I am hopeful that a mutually beneficial agreement will be reached in these negotiations. Therefore, I urge all parties to commit to bargaining in good faith and move towards a timely and fair resolution that will support the long-term well-being of my constituents and our South Texas community.

Thank you for your attention to this important matter.

Sincerely,

Vicente Gonzalez  
Member of Congress
