The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the North Alamo Water Supply Corporation Delta Regional Water Distribution Improvements Project in Fiscal Year 2026. The entity to receive funding for this project is the North Alamo Water Supply Corporation located at 420 South Doolittle Road, Edinburg, Texas 78542.

This funding would be used to install approximately 18,500 linear feet of 12-inch PVC waterline to enhance service reliability and improve water pressure throughout the Delta Region of Hidalgo County, Texas. This area is currently experiencing rapid population growth and increasing water demand, which has placed added strain on the existing water distribution network. The project is an appropriate use of taxpayer funds because it will optimize system pressures, reduce service interruption, and ensure more reliable service delivery to residential, commercial, and agricultural users throughout the region.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project and neither does anyone in my immediate family.

Sincerely,

Vicente Gonzalez  
Member of Congress
